SUBJECT:

DOCKET NO. 2005-2-E – South Carolina Electric & Gas Company – Annual Review of Base Rates for Fuel Costs. Discuss with the Commission a Joint Motion from Office of Regulatory Staff, SMI-Steel South Carolina and South Carolina Energy Users Committee and SCE&G for approval of a Settlement Agreement.

COMMISSION ACTION:

I move that the Joint Motion Requesting Approval of Settlement Agreement be granted in part. I move that the prefiled direct testimony of ORS witnesses A.R. “Randy” Watts and Jacqueline Cherry be accepted into the record without objection. I further move that, at this time, with one exception, only the attorneys for the parties need to appear before the Commission at the hearing scheduled for Wednesday, April 6, 2005 beginning at 10:30 AM to acknowledge their respective client’s consent to the proposed settlement agreement and their respective client’s belief that the agreement and new fuel factor is in the interest of the parties and the public interest. The exception to that statement would be that the Commission require the appearance of Mr. A.R. “Randy” Watts of the Office of Regulatory Staff as a witness at the Wednesday hearing, for the limited purpose of answering questions related to the terms of the proposed settlement and any of the facts supporting the settlement. Mr. Watts is to be available to answer Commissioners’ questions first, but may then be made available for any clarifying questions that the other parties may have as the result of the Commissioners’ questions. Further, the Commission should reserve the right to call, at a later date prior to May 1, the other witnesses who have prefiled testimony in this Docket, if the Commission believes after Wednesday’s hearing that it needs further information prior to making its decision in this Docket. I also move that the remainder of the Joint Motion be held in abeyance until further notice.
